In this article [The New York Times](#) reported that test results for COVID-19 can take up to five days, but with our breathalyzer and partnership with [Baylor Scott & White Health Frisco](#) we will be able to return results in as little as 90 seconds. (https://www.nytimes.com/2020/03/18/nyregion/coronavirus-testing-positive.html?fbclid=IwAR2IigvoXjk-HSyEL1LXFvFvJnmoRd_t_CpeSYuhBHsrBHXTjWrubYf4lgk)

Is the crack-down on opioids having an unforeseen affect during the COVID-19 pandemic? [POLITICO](#) says, "The growing scarcity of these life-saving medications is just a hint of things to come as the U.S. outbreak progresses."

It seems "one day" came a lot sooner than expected as our drug breathalyzer can already detect CBD and THC with just one breath. via [Forbes](#) (https://www.forbes.com/sites/emilyprice/2020/03/31/this-cannabis-saliva-test-could-one-day-be-used-to-detect-impaired-driving/?fbclid=IwAR2IigvoXjk-HSyEL1LXFvFvJnmoRd_t_CpeSYuhBHsrBHXTjWrubYf4lgk&sh=29f6e5aa6e8a)

The opioid epidemic continues to rise to about 130 opioid-related deaths per day. Here's a graph of the rate of deaths in the top 5 states:
