MISD Education Foundation Honors Top 50 High School Students

Mansfield, TX — Mansfield ISD's 50 highest achieving high school students and the teachers that inspired them will be honored at the MISD Education Foundation's 20th Annual Academic Recognition Celebration on Monday, April 22 at 6:00 p.m.

MISD Education Foundation is an organization that aims to foster creative approaches to generate and distribute resources to the educators and students of Mansfield ISD in order to enrich and meet the district's stated mission of ensuring educational and personal success. Education foundation awards funds to teachers for innovative projects and programs that are not funded by tax dollars. Since 1998, The MISD Education Foundation has awarded over \$3 million in innovative teaching grants.

Students will be presented with a 'Top 50' Medal. Teachers and students will receive a plaque with their name and a Top 50 lapel pin.

For more information on how the foundation supports the educational activities of MISD educators and students, visit the [Education Foundation website](#).

ABOUT MANSFIELD ISD

The Mansfield Independent School District is a fast-growing pre-kindergarten through 12th grade public school system, located in the southwest region of the Dallas-Fort Worth Metroplex. The District serves more than 35,000 students with a mission of inspiring and education those students to be production citizens.
